President's Corner: CoA Will Participate in the Great California ShakeOut Earthquake Drill

This year's ShakeOut Earthquake Drill is expected to be the largest preparedness event in world. At 10:17 a.m. on October 17, 2019, College of Alameda will join millions of participants in the event.

Earthquakes can happen in California anywhere or anytime. During an earthquake, a quick response could help you protect yourself, students, friends, colleagues, and loved ones.

Details about what to do and a map of where to go during the drill are included in this edition of *Splash*.

Help spread the word about earthquake safety, and invite friends and family to practice at home for their safety!

Also, next week, CoA joins PCCD and community colleges across the state for Undocumented Student Action Week, October 14-18, 2019, to advocate and provide support services for our undocumented students. Invite your students to participate in CoA's live events or to sign up for a free webinar. Details are listed below.

Sincerely,

Timothy Karas, Ed.D.
President

Cougar Women's Volleyball Student Nominated for CCCAA State Scholar-Athlete Award

Cougar women's volleyball sophomore student-athlete Jaylan Campbell has been nominated for the CCCAA State Scholar-Athlete Award.

Since Fall 2018, Jaylan has been enrolled in 15+ units per semester and carries an overall 4.0 GPA. She is majoring in History and plans to transfer to UC Berkeley in Fall 2020.

Follow us on Twitter @coacougars !

Congratulations Professor Nguyen!

United Nations Association East Bay Chapter - www.unausa.org

This Certificate is on this 6th Day of October, 2019:

PROF. DANNY NGUYEN OF THE COLLEGE OF ALAMEDA

IS HIGHLY APPRECIATED AND CONTRIBUTED TO The United Nations Flagship Experience Regarding Climate Change Action on Social and Global Impacts and is Awarded this

Diploma

President: Janelle Howard-Hernandez (415) 848-1792
 Vice President: Dr. Thomas K. O'Connell (415) 848-0000

The United Nations Association of Climate Change Focus on Social & Global Impacts
 Host of the Flagship Ceremony at the Oakland Jack London Square

and CoA Dance Students!

Danny Nguyen Receives United Nations Association East Bay Appreciation Award

Danny Nguyen, CoA professor of dance, received an Appreciation Award from the United Nations Association East Bay on October 6, 2019, for sharing his dance passion with his students and the community.

Guided Pathways Kicks off Fall Semester

Pathways Cohort 2 – ADT GE Mapping kicked off the fall semester with orientation meetings on August 29th and 30th. After a group brainstorm on the importance of General Education requirements and a short history on Liberal Arts Education by VPI Miller, Guided Pathways leads presented the scope of the project in more detail, along with a hands-on activity designed to get everyone thinking about why we advise particular General Education courses for specific majors. Both meetings were extremely well attended by 11 counseling faculty, 17 instructional faculty, 11 classified professionals, and 6 students.

Between now and October 22, 2019, the cohort teams will review the existing 2-year program maps for each ADT, select two recommended classes for students to choose for each GE area, and develop a presentation for our October 22, 2019, flex day.

Moving forward, Cohort 3 will develop program maps for College of Alameda's Associate of Arts and Associate of Science degrees, as well as our CE Certificates this Fall. In Spring Semester 2020, we will use the course selection data from this term's work to begin our discussion of Meta Majors.

If you are interested in continuing this work in Cohort 3, drop a line to the Guided Pathways team at coaguidedpathways@peralta.edu.

Adult Education Office Announces New Marketing Strategy

College of Alameda Adult Education Office is now strategically marketing at Alameda Adult School's new location – 2201 Encinal Avenue. Adult Ed project managers (via a small consortium grant) purchased smart TVs, to market our college programs at the adult school partner sites. The great news is that Alameda Adult School now shares a building with Alameda High School. Students at the high school will also be able to see our programs and services advertised as well. A continuous loop of positive and welcoming messages will help us enhance both concurrent and dual enrollment.

If you have program flyers that you would like to advertise, please send them to the Adult Education Office at COA-AE@Peralta.edu, and we will update it monthly. Also, please make sure to include specific details in your flyer, including course code, location, dates, and time.

A special thanks to our CoA team that made the set-up and installation happen: **Ben Hutchison, Lamar Rice, Michael Duensing, Selwyn Montgomery, Shawn Foster, Shuntel Nathaniel, and Vitas Nnanna!**

How to Find Zero Textbook Cost Classes

I would like to add a quick reminder regarding the Zero Textbook Cost (ZTC) logo that appears in Prompt. Above is the visual display that appears when students look up ART 122: World Art.

Students may not be aware of what ZTC means and it could merit some clarification from faculty that offer these courses. Currently, this is the information that students receive about ZTC courses (in Prompt):

“Online Course. Contact instructor at mguzman@peralta.edu for more information.

All instructions and communications for this class will be sent to Peralta student email accounts. To access your student email account, go to www.peralta.edu and click on "For Students" on the left side. Then select "Student Email".

Cost Cutter Alert: This course section uses only zero-cost course materials. Course materials are provided digitally free of charge. Printed materials are sometimes available for purchase.”

I would like to introduce myself to both faculty and students, and share about how I teach using OER resources, and to showcase the ZTC movement, my recent design and experiences in developing my approach for the ART 122 course.

Currently, I am preparing for an upcoming presentation about my course, followed by Q&A, for students -- details soon! If students have questions about ZTC (or suggestions), please contact me at mguzman@peralta.edu.

In the meanwhile, I would like to share a review that I wrote recently -- it describes how I use an Open Textbook for my ART 122: World Art course. Readers can download the PDF file and read the book themselves: <https://open.umn.edu/opentextbooks/textbooks/introduction-to-art-design-context-and-meaning> (My review is the topmost review).

ASCOA Held a Club Rush Event in September

ASCOA held a Club Rush event on September, 26, 2019, from 11 a.m. to 1 p.m., in the quad. Five clubs participated in the event, including the Video Game Club, Vietnamese Club, Phi Theta Kappa Honor Society Club, Sari-Sari Club, and the Veterans Club. Around 100 people attended, including a range of students who have been enrolled at CoA from one to three years, as well as others.

The activities included participation in a general survey to determine what events students would like to see more of, what other clubs they would like join, which days would be best for them to attend an event, and how they would like to receive the information about events. Participants who completed the survey also received special swag and refreshments. The ASCOA received 72 survey responses, which will be used to plan future events.

Club Rush is an event designed to engage students in student life by providing opportunities to join clubs or find the resources they need to start a new club.

CoA Receives Largest CTE Grant in Peralta Community College District

The Peralta Community College District has been awarded over \$1.8 million in competitive grants to improve online career and technical education programs. Berkeley City College, College of Alameda, Laney College, and Merritt College, as well as the Peralta District office, all received grants awarded by the California Virtual Campus-Online Education Initiative (CVC-OEI), Improving Online CTE Pathways Grant Program.

The largest grant within the Peralta district went to College of Alameda, which was awarded \$450,880.31 to develop Online Career Education Opportunities at the College. These opportunities include: 17 new online Career & Technical Education (CTE) courses; the updating of two hybrid online CTE courses; the improvement of access to opportunities for students; and the acceleration of the attainment of credentials for students in Aviation Maintenance Technology, Business and Entrepreneurship, Computer Information Systems, and Public Administration/Violence Prevention CTE programs. Eva Jennings, Dean of Career and Workforce Education at College of Alameda says, “We’re excited about the opportunity to expand our programs and offer online Career Education opportunities to our students.”

October 17, 2019
Great ShakeOut Earthquake Drill

When the police siren alarms at 10:17 the drill will commence. DROP, COVER, and HOLD ON

At 10:18 the building alarms will sound and all will evacuate to designated gathering areas.

CoA Will Participate in the Great California ShakeOut on October 17

As we're preparing for the Great California ShakeOut 2019 here are a few directions you can share with people who may not be able to drop and cover due to disability, age, or balance/mobility issues:

- Get as low as possible and move away from windows or other items that can fall on you.
- Do not try to transfer from your wheelchair or seat during the shaking. Wait for the shaking to stop before transferring.
- If you use a wheelchair; lock your wheels and remain seated until the shaking stops.
- Always protect your head and neck with your arms, a book, or whatever is available.
- For a quick two-page document of "Key Earthquake Safety Tips for People with Disabilities" see http://www.earthquakecountry.org/downloads/ShakeOut_Earthquake_Tips_Disabilities_AFN.pdf
- For more in-depth planning you can look at the ShakeOut "Earthquake Preparedness Guide for People with Disabilities and Other Access or Functional" needs at: <http://www.earthquakecountry.org/disability/>

Transfer Day 2019 Was a Great Success!

Transfer Day 2019 was a great success thanks to the support from our amazing faculty, staff, and student ambassadors who helped put the event together and encouraged students to attend. On Tuesday, September 24th over 40 UC, CSU, private, and out-of-state college and university representatives connected with potential transfer students. Also, in attendance from the State Chancellor's Office, was a representative for the CCC to HBCU Transfer Guarantee program.

Comments from Representatives:

- *Thank you for your amazing hospitality!*
- *I loved the signage*
- *Overall, I believe the program was great. The students were excited and interested learning about transfer.*
- *Great event, thank you!*
- *I liked that one of the coordinators went around with the mic highlighting different schools.*
- *FIDM- Loved the hospitality + graciousness of COA staff & volunteers. Loved the fun atmosphere. Thanks for all the food + smiles. Always enjoy visiting the campus.*
- *UC Santa Cruz- Great turn out this year! Thanks for creating a welcoming event for us. Look forward to working with you this year.*
- *San Jose State University- Great fair! The hospitality was awesome and the communication sent out was very detailed. Appreciated the campus signs! Thanks for an awesome event!*

We had a number of classes offer extra credit for attending Transfer Day. We appreciate **Marissa Nakano**, **Vanson Nguyen**, and other instructors who brought classes directly to Transfer Day.

Transfer Day is not only a great opportunity for students to meet with college representatives, it also gives counselors, faculty, and the entire college a chance to learn about new programs. MESA Counselor **Nila Adina** made a great connection with UC Irvine on Transfer Day which has resulted in a return visit later this fall for one-on-one student appointments. UC Santa Cruz and UCLA have also been added to the Transfer Center calendar for return visits.

California Community Colleges Support Undocumented Students

College of Alameda Supports Undocumented Student Action Week, October 14-18, 2019

Since President Trump's 2017 announcement to rescind the Deferred Action for Childhood Arrivals (DACA) program, the status and safety of undocumented students on our campus has been uncertain. Lack of action by Congress on DACA and American Dream and Promise Act (H.R.6), as well as recent Immigration and Customs Enforcement (ICE) raids and detentions have only exasperated the problem causing fear among our undocumented student population.

As the nation's largest post-secondary education system in the nation and serving the largest number of undocumented students within the state, California Community Colleges are committed to serving all students, regardless of immigration status. When undocumented young people are able to pursue education and careers, they can create new, brighter futures for themselves, their families, and their communities.

This year's action week serves as an opportunity to highlight the challenges our undocumented students face in today's current climate, while also advocating for Congress to take immediate legislative action on important federal policies and providing resources to better assist undocumented students on our campus. Undocumented Student Action Week is supported statewide by California Community Colleges, the Foundation for California Community Colleges, the Community College League of California, the Student Senate for California Community Colleges, and Immigrants Rising.

Make Your *Splash!*

Is there an upcoming event that we should all know about?
Do you know an outstanding student whose story you would like to share?
Did you attend an interesting workshop or conference?
Do you have unique projects planned for your students this semester?
Have you or a colleague been honored with an award, or do have you published an article, book, or chapter recently?

Send us your news, so we can share it with the campus community in the *CoA Splash!*

It's easy – just send us a short article and a good photo or two, and we will take care of the rest. Do not forget to include the name of the writer, the photographer, and anyone who is pictured (if possible). Be sure to email your news and information to: coasplash@peralta.edu and be sure to include the word “Splash” in the subject line.

Past issues of the *CoA Splash* are available at
<https://alameda.peralta.edu/newsletter/coa-splash/>
