AB1805 Implementation

COLLEGE OF ALAMEDA

https://www.ccleague.org/sites/default/files/pdf/events/ab_1805_irwin_fact_sheet.pdf

- Inform students of their rights under AB 705 as to how they will be placed into English and math courses based on the best of multiple measures in easily understandable ways in college catalogs, orientation materials, and college websites;
- Include in reports to the Chancellor's Office what measures are used to determine placement, the number of students assessed, and the percentage of students placed into transfer-level courses disaggregated by race and ethnicity;
- Publicly post their placement results of students placed into transfer-level courses disaggregated by race and ethnicity;
- Match implementation of this bill with the implementation of AB 705.
