College of Alameda Request for SLO/SAO stipend - 2020/2021 Academic Year

Student Learning Outcome Assessment:
In order to receive a $100 stipend, a part-time instructor must complete an assessment plan, assessment results, and actions to improve learning **ONLY** for the class or classes which they are assigned to teach. This work must be documented in CurriQnet and must be authentic (as described in the SLO assessment rubric). *Adjunct faculty are eligible to receive 1 stipend per course they teach that they assess regardless of the number of SLO's per course that have been assessed and a maximum of $300 per academic year.*

Service Areas Outcome Assessment:
Classified professionals and Administrators will not be compensated for the Service Area Outcome they assess.

Employee checklist (initial each of the following):

1. The information listed below is complete and accurate. _____
2. A student learning outcomes assessment coordinator has signed off on the work. _____
3. Take this signed form or email to Frank Nguyen Le (Curriculum and SLO Specialist) _____ and receive and sign TIMESHEET pnguyenle@peralta.edu

All requests signed by your SLOAC must be submitted to Frank Nguyen Le for processing by 2 weeks after grades are due. Allow up to two pay cycles for payment AFTER signed request form AND signed timesheet have been submitted to Frank Nguyen Le.
